### **FOR IMMEDIATE RELEASE**

ORRVILLE, OHIO – Mr. Stan Hartzler will receive a brand new, all-expenses paid backyard patio courtesy of Patios For Patriots and B&K Concrete Construction (Marshallville, Ohio). Hartzler faithfully served in the Vietnam War. Suffering from the effects of Agent Orange used during the war, Patios For Patriots wanted to give Hartzler a more stable surface in which he can walk when outside his home.

Patios for Patriots, a nonprofit 501(c)(3) company, was formed solely to honor and thank this country's brave men and women for their service. Spearheaded by Jason Geiser and Todd Hershberger (Co-Founders), it is an effort focused on designing and constructing concrete patios for residences. The organization consists of volunteers and contractors who donate their time and energy to perform the work. Funds donated by the public are used toward the projects. This is the 21<sup>st</sup> project the organization has completed since it began operations in 2016.

Why patios, you may ask? "To that we say, 'Why not?'" agreed Geiser and Hershberger. "Our veterans selflessly give of themselves through serving our country and we think they deserve a special thank you for that service. This is our way of saying thanks by doing what we do best – designing and constructing concrete patios for residential homes."
